

Minutes of the September 15, 2022, DTARC Meeting

The September meeting was opened by Vice President Wade Kelly at 6:45 PM due to President Dwayne Allen being absent. There were 9 members present: Wade, Jerry, Pat, Terry, Mac, Al, Cynda, Rhonda, Kelly, and Clay.

The Treasurer's Report was given by Treasurer, Jerry Boone. Motion to approve the report was made by Mac, seconded by Terry, and unanimously passed.

Wade then asked the members to accept the minutes from the July 2022 meeting, which are posted on the website. A motion to approve the minutes was made by Mac and seconded by Cynda. All present voted in favor.

Old Business:

The soldering class will be delayed until Dwayne gets back.

Firewood is needed for the Sunny Divide building, and we can get it from Wade's place.

Discussion was made about having more get-togethers like breakfast at Louie's or lunch somewhere, etc.

We heard that new member Kat has definitely decided to come to Sundance and, hopefully, will get here in October.

New Business:

A discussion was held about providing communications support for public service events.

There was some discussion about programming the Motorola repeaters that were purchased by Dwayne, Wade and Kelly. Jerry will research online for the programming software but warned that finding Motorola software that's no longer supported will be a challenge. The discussion also covered the duplexers recently obtained and donated by Al, the towers that the club will be taking down and the expected requirement that the Club show proof of insurance before beginning any work on the towers.

Our next meeting will be October 20, 2022, at 6:30 pm.

With all discussions completed, a motion was made by Mac and seconded by Jerry to adjourn the meeting at 7:15pm. All voted in favor.

Patricia Boone
Secretary
